Employee Standards

The following employee standards define how the Alliance Inspection Management (AIM) Brand Identities exist in every AIM position. These standards are critical to an employee's successful performance of daily responsibilities, successful achievement of short and long-term objectives, and contribution to our goals of building brand value and achieving enduring and profitable growth.

1. Customer Focused:

- Focuses efforts on converting customers to enthusiastic advocates for our brand, by delivering consistent and passionate product and service performance that exceed customer value expectations.
- Analyzes decisions from the customer's viewpoint and takes action with the customer's needs and values in mind.

2. Cross-Functional and Global:

- Supports a working culture of cross-functional cooperation and synergy (cross-divisional, cross-regional, and cross-hierarchical).
- Demonstrates the ability to team with people from within the organization, independently of borders (functions, regions, and affiliates), to reach our overall company targets.

3. Brand Aligned:

- Consistently contributes to building brand value by delivering on our brand promise.
- Evaluates potential decisions and actions with the following brand filter questions:

E-Valuations

- Are we anticipating the needs of our customers and respecting their individual requirements?
- Are we being imaginative in looking for a way to use technology or to design a better product or service to satisfy the needs of our customers?
- Will this help to make our customers not merely satisfied, but enthusiastic about the AIM Inspection process?
- Are we setting our own standards or are we just following the crowd?
- Are we using technology and ingenious thinking for real customer benefit?
- Are we anticipating, not just reacting to our customers' needs?
- Will this help create an invigorating and refined premium experience for our customers?
- Will each customer feel genuinely understood?
- Are we enthusiastically seeking new possibilities, optimizing every situation, and re-defining new levels of customer service excellence?
- Are we being strong and graceful?
- Actively listens, welcomes diverse opinions, and makes necessary, timely, and innovative decisions.

4. Stretch Goals and Growth:

- Orients performance and realization of stretch objectives based on competitive benchmarks.
- Focuses goal achievement on the required direction of profitable growth.
